Studebaker

Always Ready

From the moment a Studebaker (Flanders) "20" is delivered, you have a car ready to go on the job. It will stand up to its work day in and day out—take the hills and rough places as cheerfully as the smooth, and the only care it asks is lubrication.

Studebaker cars are built for honest everyday service, and will give you service—not excuses. You can start on the longest journey in full confidence that you will finish as strong as you began.

Mechanical stability, beauty of design, simplicity of control, low price and low upkeep cost combine to make the Studebaker "20" an ideal car.

THE \$800 STUDEBAKER (Flanders) "20"

\$800. F. O. B. Detroit, standard equipped. Equipped as above, with Top, Windshield, Presto-Lite Tank and Speedometer, \$885.

The Unitarian Ladies' Sewing Circle will hold an all-day meeting on Thursday, October 10, with Mrs. C. L. Russell.

After a closed season of two months, during which time the Unitarian church has been entirely repaired and decorated the church will be re-opened on Sunday morning at 10.45. Rev. George Jones, pastor, will preach at the service. H. A. Thayer, as choir master, has prepared an interesting musical program with a chorus of voices. The church interior is resplendent with its new work of decorations, a new quartered oak floor and the standing finish repolished. The walls are carried in amber shades with gold striping, the effect being very tasty indeed. The upholstery of the pews has also been entirely recovered.

On last Saturday evening upwards of fifty friends of Paul Jones met at his home to give him a genuine surprise party. The event was his eighteenth birthday anniversary. Mr. Jones was taken out for a drive and on his return found his guests in waiting. The evening was very pleasantly passed playing games and dancing until the small hours. The success of the party is due to the efficient management of M. McMahon, who acted as master of ceremonies and presented Mr. Jones with the gifts brought in by his friends. Guests were present from Boston, Sudbury, Stow and West Acton. Refreshments were served.

John Lee entertained his sister, Mrs. Margaret Domina, from New Hampshire during the first of this week at the home place on Bare hill.

James Desmond and M. McMahon are now on a two-party telephone line. Henry Dickson started on Wednesday for a two-weeks' trip through Maine. He goes in company with I. W. Forsyth, of Watertown.

Mr. and Mrs. Allan Brooks, who have been for the past month in Maine, are again with us, now staying with Miss Hersey until their new quarters, which are being fitted up in the building recently occupied by the Mary Jane tea shop, shall be ready for occupancy.

Miss Irene McMahon was the weekend guest of Miss Dorothy West and over Sunday.

Dr. E. H. Hopkins, of Ayer, our school physician, has been busy the past few days examining the pupils of the Center school.

While we do not believe in "spooks" yet the party of young people who attended the dance at Grafton last week are positive they saw one on Harvard common when they arrived home early the next morning.

William Savage is confined to his bed with sickness. Mrs. Bradshaw from Ayer is caring for him.

The Harvard Choral union will hold their annual business meeting at the Memorial rooms on Thursday evening, October 10, at eight o'clock. All members and others interested are invited to be present.

Friends of Cedric Webster, who entered his freshman year at Massachusetts Agricultural college this fall, will be pleased to learn that he has already made the varsity football team and is doing good work.

D. C. Brewer and H. T. Webber have had their places wired for electricity and it is expected that the current will be turned on about October 15.

Mrs. Norwell and her daughter, with Misses Blood and Beard, who have so successfully conducted the Mary Jane tea shop here this season, have closed their home here and returned to their duties for the winter at Cambridge.

All grangers having no means of reaching Ayer on neighbors' night, October 9, will please notify John B. Harlow on or before October 10, who will see that a barge is ready at the postoffice at the appointed time.
